SCREEN SHOT FROM SPECTRUM

The ultimate experience in motor sports simulation, the absolute challenge to nerves and reflexes. Feel the wind in your hair and the pull of the G-force as you power your way along the highways and byeways, a girl by your side and open country before you. Experience the exhilaration and excitement of driving a high performance sports car in this teasing time trial where your co-ordination and nerve will be tested to unbelievable limits. Out Run the coin op starred as an arcade sensation. Out Run the computer simulation mirrors this exciting all action spectacle.
